Secure & Private AI Scholarships

10th June 2019

TODAY'S AGENDA

- Program Overview
- Getting Started
  - Accessing your Classroom
  - Slack Community
- Community Resources
- Upcoming Initiatives
- Speak Up!

Program Overview

There are 2 Scholarship Phases:

- **Challenge Phase**
  - 12 week Challenge Course ending **August 30**
  - Robust Community Experience
  - Support from Student Moderators
  - Dedicated Community Manager
- **Nanodegree Phase**
  - **300** students to receive a full Scholarship to either **Deep Learning** or **Computer Vision** Nanodegree.

Challenge Phase: 5,000 Students

300 Students

Computer Vision Nanodegree

Deep Learning Nanodegree

Selection Criteria for Phase 2

- **Successful completion of the Challenge course**
  - Course progress should be 100% in order for you to be selected.

- **Level of participation and support of classmates in the student community**

- **All the selection criteria used in Phase 1**
  - Criteria that was used when you were selected for Phase 1.

- Study for **at-least an hour** everyday.
- Stay active on the Slack Community & help your peers.
  - Keep an eye out for messages on **#announcements** channel.
  - Show up for official sessions like **#ama_sessions**.
  - Follow the channels that you think are important for you. **Don't track every channel.**
  - Take part in the **Community Initiatives**. (TBA)
  - Find a Study Partner.

How to be a successful student?

Getting Started

"DON'T PANIC" LIST
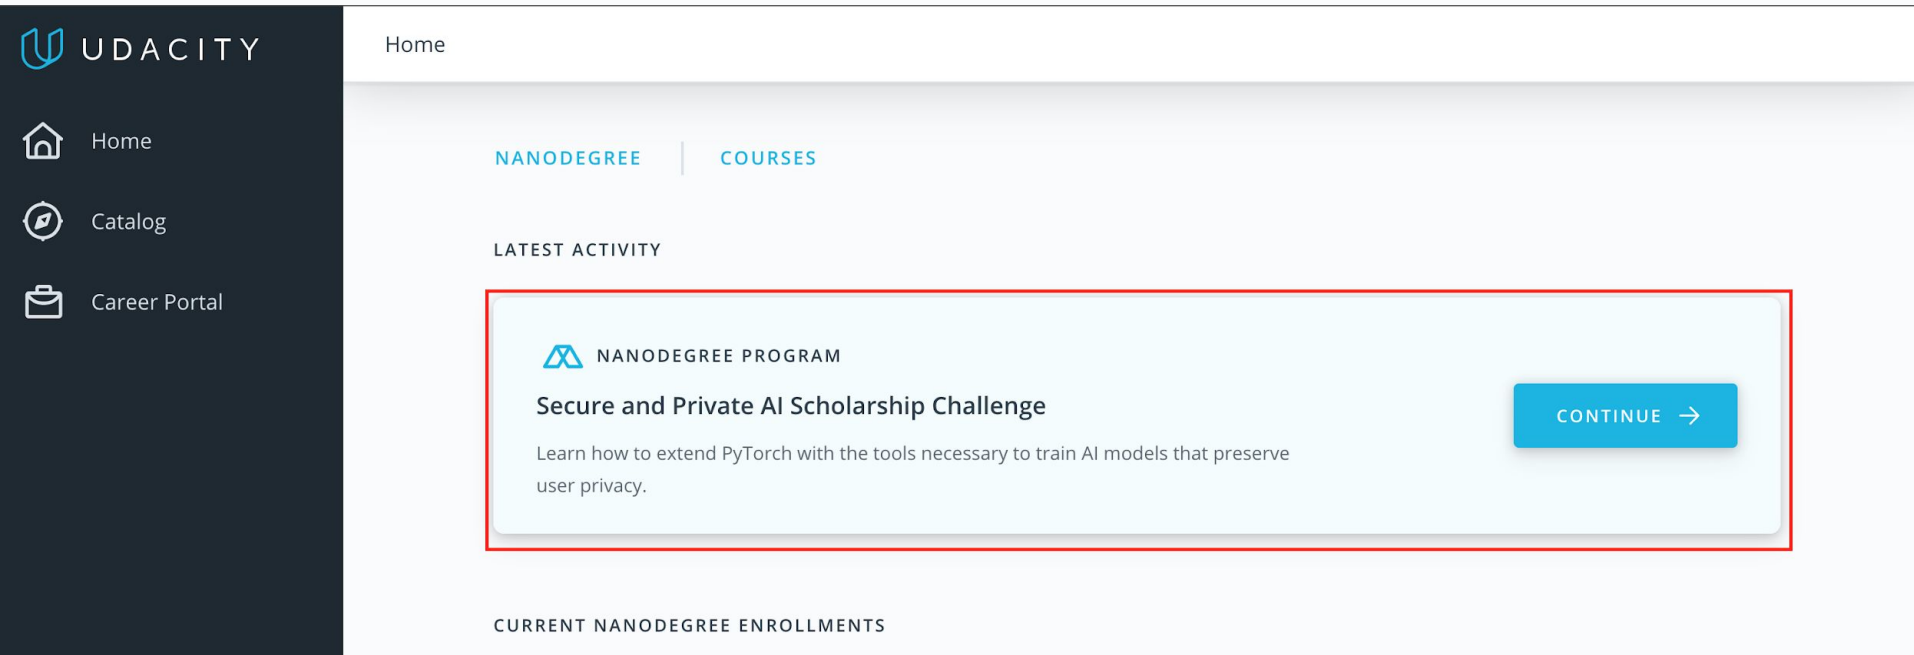

D O N' T   P A N I C   L I S T

5 Easy Steps to Getting Started

- Access Your Classroom

- Join the Slack Community

- Attend Orientation

- Bookmark the Secure & Private AI Google Site

- Know Your Resources

Print the "Don't Panic" sheet here.

1. ACCESS YOUR CLASSROOM
https://classroom.udacity.com/me

Click the **"Secure & Private AI Challenge"** course card. Your classroom is where you will find the challenge material that you need to complete by the August 30 deadline.

2. JOIN THE SLACK COMMUNITY
https://slackin.udacity.com/secureprivateaischolar

The Slack community is where you will interact with, ask questions from, and receive support from your classmates and student moderators.

3. ATTEND ORIENTATION
Link coming soon!

Orientation is Monday, June 10th, 11:30am GMT. We will provide a program overview and answer your most pressing questions.

4. BOOKMARK THE SECURE & PRIVATE AI GOOGLE SITE
https://sites.google.com/udacity.com/secureprivateai-challenge

Stay on top of program and community information.

5. KNOW YOUR RESOURCES

Technical Support
- Slack **#tech_help** channel for support from your classmates and student moderators.

Program & Administrative Support
- Community Manager Office Hours - Every Monday & Wednesday, 11:30am GMT
- Email - scholarships-support@udacity.com

CONGRATULATIONS! YOU CAN DO THIS.

Accessing your Classroom

Go to your classroom using this link: https://classroom.udacity.com/me and find the challenge course.

Click on your course card to navigate inside and then begin your journey with the first lesson.

https://slackin.udacity.com/secureprivateai scholar

- Meet and connect with classmates!
- Get technical help from peers and Student Moderators
- Receive support & motivation
- Participate in AMA (Ask Me Anything) sessions and other community events!

slack & Community Guidelines

ONE: Respond in thread! We want to keep the whole convo together! Make sure to respond IN THREAD to the person you are replying too.

TWO: Use the Right Channel. Before you post, make sure you are posting your question or content in the correct channel

THREE: Be respectful of differing viewpoints and experiences. This is a space for learning and we want everyone to feel comfortable and welcome.

FOUR: Gracefully accept constructive criticism. We are here to grow and help one another! If someone has feedback about a project or idea, listen.

FIVE: What is best for the overall community. Make decisions that will impact the community positively! **Find our Code of Conduct here**

Bookmark the Scholarships Google Site

The Secure & Private AI Challenge site is your go-to spot for information on announcements, resources, the calendar of events, FAQ's, and more! Anytime you have a question, come here first to see if it's already been answered.
